**§ 114-1. Numbering required.**

Every house or other building within the borough shall be officially numbered in accordance with the correct number as determined by and designated upon the Borough Assessment Map.

**§ 114-2. Use of letters to differentiate between duplicate numbers.**

Where more than one (1) house or building is located on a lot having a frontage of twenty-five (25) feet, so that each such house or

building must receive the same number, a designating letter (a, b, c, etc.) shall be added in each case to such number, in the same order that the numbers themselves follow.

**§ 114-3. Display of numbers.**

The owner, occupant, lessee or party in possession of any house or other building within the borough shall, at his own expense, place on each such house or other building in a conspicuous place the proper official number of such house or building, which number shall be in figures or letters, or both.

**§ 114-4. Application for and assigning of numbers.<sup>1</sup>**

The owner, occupant, lessee or party in possession of every house or building within the borough, upon application to the Construction Official and after signing a card upon which shall be stated the frontage and a description of the location of such house or building, shall receive a duplicate of such card with the proper official number for such house or building designated thereon. Each applicant shall furnish the complete and accurate information necessary to determine the location and frontage of each such house or building.

**§ 114-5. Violations and penalties.<sup>2</sup>**

Any violation of the provisions of this chapter shall be punishable as provided in Chapter 1, General Provisions, Article II.
