## *Information Update*

In collaboration with the Wood-Ridge Police Department, the Health Department is looking to update all records concerning dogs in town. In the past, the name, address and telephone number of the owner(s) was all that was required. A new form has been developed to now include an updated cell phone number of the owner(s). If you do not have a cell phone, please place an "X" on the line for cell phone number. We are also asking that the name, address and telephone number of an emergency contact person be provided. **Form must be completed and returned with payment.**

This will enable the Borough to reach you quicker and easier in the event that there is an emergency with your dog(s). We appreciate your cooperation and would like you to fill out the information below and return to the Health Office, 85 Humboldt Street, Wood-Ridge.
