**EXHIBIT A**

**Proposed Amendment**

Note \*\*\*\*\* on Page 5 of the Redevelopment Plan is amended to read as follows:

“The Borough has determined that the redevelopment of the District in a manner consistent with the Redevelopment Plan will generate school aged children and facilities for such children must be provided at the time of or before the development within the District. Accordingly, the Redeveloper shall set aside an area not to exceed two (2) acres within the District to serve as the location of a new grade school. The location of the new grade school shall be proximate to the open space recreational area and parking to promote shared use of the facilities. The property set aside for the school shall be included in the overall acreage of the redevelopment for purposes for the purposes of calculating density permitted for the overall site, in the same manner that the open space to be set aside is also included for calculating density. Alternately, the Borough and the Redeveloper may agree that the Redeveloper or the Borough may acquire a site acceptable to the Borough that is located outside the District if such site is within the Borough and is particularly suited to serve as the location of a new grade school. Factors such as lot size, location and community access shall be given consideration if it is determined that a location outside the District is preferred. The cost of the provision of a new grade school, whether acquisition, construction and renovation, shall be addressed in the negotiation or amendment of a redeveloper agreement between the Borough and the Redeveloper.”

HEARING OF CITIZENS:

Mayor Sarlo declared the Hearing of Citizens to be open. Anyone wishing to speak please come to the microphone in front of the room and state your name and address. Please speak clearly into the microphone.

Mr. Richard Martinelli 216 Tenth St. - he asked about the Ordinances tonight. It was explained by the Borough Administrator that we may have an alternate school. It was in our Redevelopment Ordinance. Now we have a school that could be considered off sight. He spoke about the funding for the Bianchi House. It was explained we have received monies from grants and that they have to be matched by the town. He questioned the Jungle Gym at the park. It was explained by the Borough Administrator that we have applied for a grant for the park, that we are just looking ahead. Regarding the Bianchi House, he felt that we have spent approximately \$800,000 and money in taxes has been lost and not to mention the maintenance and public service at the building. It was explained that the Bianchi House is used by different organizations. The property has been deeded to us and if it wasn't used by the Borough it would have to be deeded back to the Bianchi family. He also questioned why we had a closed session on Wesmont. It was explained it is still considered contract negotiations. Also, regarding the meeting with the Board of Education, he questioned the architect; it has cost a lot of money. Borough Administrator explained this is all negotiations.

Seeing none and hearing none further, the Mayor declared the Hearing of Citizens closed.
