HEARING OF CITIZENS:

Mayor Sarlo declared the Hearing of Citizens to be open. Anyone wishing to speak please come to the microphone in front of the room and state your name and address. Please speak clearly into the microphone.

Mrs. Avril Genton 482 Innes Rd. - she questioned Resolutions #138-2011& #139-2011. It was advised they support the County's Grants. She also questioned Resolutions #140-2011, #141-2011 & #142-2011. She was advised by Borough Administrator Eilert that this is in compliance with the Borough's Ordinance. These promotions will give us 3 Lieutenants and 6 Sergeants. We need to watch our overtime. The new hire will be a police officer from another agency. We have 20 officers including our Police Chief. She then asked why we don't have Shade Trees, they seem more decorative. Administrator advised it takes at least 20 years for a tree to reach its maturity. We have different species of trees and if one species gets diseased it would wipe all the trees out.

Sherry Williams 117 Union St. - she wanted to commend the dispatcher that was on duty the night of the hurricane. He kept her household calm. She explained she had at least 6 inches of water in her home. The Mayor advised there is a tidal condition in that area. All of our DPW equipment had to be moved. Our pump station went down. He advised Berry's Creek needs to put in check valves and he is asking the Federal Government to do some dredging of the creek.

Mr. Richard Martinelli 216 Tenth St. - he asked about the Ladder Truck. Councilman Gonnella advised the one we have now is out of service; not operable. They are looking to put a committee

together. The Mayor advised this is not on the agenda at this time. We are applying to the federal government for a grant. The next question was addressed to our Borough Administrator regarding our principle & interest on our bonds. He advised we are allowed 3½% of our total assets. Right now we are at 15 million; we are allowed up to 45 million. He then asked Councilman Marino where we are with our court consolidations. He was advised that we are waiting to hear from East Rutherford. On Resolution #145-2011 he wanted that explained. He was advised we are applying for a grant to the DOT.

Seeing none and hearing none further, the Mayor declared the Hearing of Citizens closed.
