Hearing of Citizens:

Tony Seiga was in attendance on behalf of Recreation Soccer to give a brief presentation to request soccer lines on the WRHS Field. The company that he would use paints the lines on the Don Bosco Field. The paint should last approximately 2 years. The cost would be approximately \$995 every two years and the soccer goals would be stored out side of the fence possibly in the area of the score board. Dennis Brubaker stated that the decision of what lines were put on the WRHS Field was never up to the Recreation Commission. The Recreation Commission was only responsible for the scheduling of the field.

Following the discussion, Emil Bevacqua made a motion to recommend that Recreation Soccer go forward with their plans to request temporary soccer lines as stated and proposed by Mr. Tony Seiga. The motion was seconded by Jerry Lanzerotti. Additional discussion followed and a vote was taken; Joe Zielinski – No, Bryon Parisi – No, John Gingerelli – Yes, Toni Ann Azzolini – Yes, Emil Bevacqua – Yes, Dennis Brubaker – Yes. Motion passed.
