Hearing of Citizens:

Brian Hansen was in attendance on behalf of Girls Softball. Brian questioned whether the Borough would be thatching, applying fertilizer/lime on 14th Street.

He spoke to Chris Eilert who informed him that he would be extending the fence on the first base side. Sprinkler system will be started up. Brian questioned whether or not we can paint the kitchen cement floor to make it easier to clean. Bryon Parisi noted that it would have to be acid washed first and that if the correct paint was not used, it would peel. Brian also mentioned that the batting cage collapsed due to the snow and that the fence on the right field was damaged due to sleigh riding.
