May 14, 2020

For so many families COVID-19 has interfered with their school year, spring sports, birthdays, graduations, weddings and basic daily lives. Due to the governments COVID-19 Executive order and no immediate plan or schedule for it to be lifted, the 2020 Wood-Ridge Summer Recreation Program has been cancelled. W-R Summer Recreation has always been about providing a fun and safe summer for all W-R children and emphasizes social interaction, not social distancing. The W-R Summer Recreation Program is one of our favorite times of the year and as much as we would love to host this year's program, it is in the best interest of our children, staff, and all W-R families that we do not.

Please continue to follow us online on the borough website ([www.njwoodridge.org](http://www.njwoodridge.org)) and our recreation social media (@WoodRidgeRec) for updates regarding registrations, and other additional information. We are currently in the early stages of developing alternative online programming to begin this summer. Details which will be announced in the coming weeks.

Let's continue to be safe and follow the necessary guidelines so that we can come back from this stronger.
