MESSAGE FROM THE DIRECTOR

I am excited to introduce the 2019 Score Summer Soccer Program. The camp is designed to offer each camper an enjoyable and rewarding soccer experience. The staff prides itself on making the game of soccer a fun-filled experience, as well as teaching the game at a level conducive to the needs of each player.

My teaching philosophy has always been that players should continuously play and study soccer in order to get the most enjoyment out of playing the game. The program was created to connect the spring and fall soccer seasons so that players have the opportunity to practice their skills.

I am pleased to offer our camp in cooperation with the Wood-Ridge Recreation Department at Pomponio Field for the eighteenth year. I am extremely fortunate to offer the camp at a great facility.

I hope to share not only my knowledge and soccer expertise, but also my experience and goals.

I am looking forward to seeing you this summer!

Nick Cipriano
